FOR GATEWAY CASINO EMPLOYEES

JULY 3, 2007

Gateway employees support BCGEU!

Gateway employees welcomed the BCGEU back this past weekend. We got an overwhelmingly positive response from workers throughout the casino. You showed your support by signing your yellow membership cards.

One way or the other, the BCGEU is committed to working with you for a strong effective voice at

your workplace. Whether we get to count the vote from October 2006, or we make an application for a new vote, we want you to have the representation you deserve.

We are excited to hear from all departments who are interested in joining the BCGEU. We think that all Gateway employees deserve the

respect, job security, and better wages that a union can provide.

Talk to Craig Proctor or Malina Merritt if you need a BCGEU membership card.

Your Benefits

Recently, Gateway changed your benefits plan without any consultation. With the BCGEU as your union, you will negotiate your benefits and they will be guaranteed by your collective agreement. Gateway will not be able to take away any of your benefits without your permission.

With a union, the odds are better!

Sign another yellow card today!

When you sign a BCGEU membership card it is good for only 90 days. To make another application with the BC Labour Relations Board for a vote, you will all need to re-sign cards with the BCGEU.

Sign your yellow card today and mail it back to us or give it to a BCGEU organizer!
