Oak Bay Lodge and Mount Tolmie Hospital – **FOR SALE**

Sunday, April 18

2 p.m. – 3:30 p.m.

The Vancouver Island Health Authority wants to sell Oak Bay Lodge and Mount Tolmie Hospital and have a replacement residential care facility built *'somewhere in Greater Victoria'*.

Privatizing these facilities creates uncertainty for everyone – seniors and their families, workers and the community. Selling properties to make up for funding shortfalls is short-sighted and not in the public's interest.

**Come and join the discussion
on the future of seniors' care in our community
AND SEND A CLEAR MESSAGE
to VIHA that seniors' care is too important to be
sold-off to the highest bidder.**
